All seminars are held at 12 noon to 1:00 pm in the Bowen Hall Auditorium, Room 222.

There will be a light lunch in the Bowen Hall Atrium from 11:30 am-12 noon for seminar attendees.

February 7
DONGLING MA
INRS, Université de Recherche, Quebec | Centre Énergie Matériaux Télécommunications

February 14
PATRICK LENAHAN
Pennsylvania State University | Department of Materials Science and Engineering

February 21
CHARLES BLACK
Brookhaven National Laboratory | Center for Functional Nanomaterials

February 28
ALEXANDRA BOLTASSEVA
Purdue University | Department of Electrical and Computer Engineering

March 7
DANIEL WASSERMAN
University of Texas | Department of Electrical and Computer Engineering

March 28
HAN WANG
University of Southern California | Department of Electrical Engineering

April 18
HANEESH KESARI
Brown University | Department of Engineering

April 25
ALBERTO FERNANDEZ-NIEVES
Georgia Institute of Technology | Department of Physics

May 2
MATT HELGESON
University of California–Santa Barbara | Department of Chemical Engineering

May 9
ANDREA ALÙ
University of Texas–Austin | Department of Electrical and Computer Engineering
