

**MATERIALS SCIENCE & ENGINEERING
CLASS OF 2015**

JUNE 2015 ISSUE

On June 1, 2015, twenty-one students graduated from the Materials Science & Engineering (MSE) Certificate Program. The 2015 MSE class included students from Chemistry, Chemical and Biological Engineering, Mechanical and Aerospace Engineering, Physics, and the Woodrow Wilson School. The future plans of the students range from graduate school at MIT, UConn, UC Santa Barbara and Imperial College in London to working at Facebook, SpaceX and Boston Consulting Group. << [photos](#) >>

Helen Yao, of Chemical and Biological Engineering, was awarded the "Outstanding Materials Student Award," PRISM's highest undergraduate honor. The award recognizes the combined excellence in academics, research, and dedication to materials science ... [more](#)

SEMINAR SERIES

The Fall 2015 PRISM/PCCM SEMINAR SERIES will begin in September. The schedule will be posted as soon as it becomes available.

AWARDS
